Profile

Currently, I am Computer Engineer Student (Integrated MEng) at the University of the Aegean since 2016, Apple Developer Academy Graduate and I am involved with Software Engineering, Entrepreneurship, Public Speaking and Mentoring.

Experience

CO-FOUNDER, BRAINFIRST – JAN 2019 - PRESENT

BrainFirst is a Start-Up Company in Greece that bridges the gap between education and technology. Creating, designing and using innovative technological application and organizing workshops/seminars for most efficient use of technology in education.

IOS DEVELOPER, APPLE DEVELOPER ACADEMY – SEPT 2018 - JUN 2019

The program focuses on software development, startup creation and app design with an emphasis on creativity and collaboration to empower and equip students to develop the skills needed to succeed.

IOS DEVELOPER, ZAC.K INTELLIGENT APPAREL – MARCH 2018 - SEPT 2018

Introducing Smarter Clothing when cutting-edge technology collaborates with AI and top-grade fabric, a new generation of activewear is born. It's called Exisōm.
