

# Georgios Kakouliadis

## Profile

I am an undergraduate student at the Department of Information & Communication Systems Engineering of University of the Aegean since 2016 , student with scholarship at University of Naples and I am involved with Software Development.

## Experience

### **IOS DEVELOPER, APPLE DEVELOPER ACADEMY (ADA) – SEPT 2018 - JUN 2019**

The program focuses on software development, startup creation and app design with an emphasis on creativity and collaboration to empower and equip students to develop the skills needed to succeed.

### **IOS DEVELOPER, ZAC.K INTELLIGENT APPAREL – MARCH 2018 - SEPT 2018**

Introducing Smarter Clothing when cutting-edge technology collaborates with AI and top-grade fabric, a new generation of activewear is born. It's called Exisõm.

### **EXECUTIVE MANAGER, SWIFTERS – OCT 2016-PRESENT**

Swifters is the first and only apple recognized user student community team nationwide. Our goal is to strengthen the Information and Communication Systems Department through our love for Objective C and Swift programming language. The Swifters team aspires to develop innovative applications.
